

## Angels & Demons Tour

15 th of May 2009 a big event: The Movie !

Strolling through the allies of Rome one may find himself in the footsteps and intrigues of our journalist friend, **Mr. Lengton** and his beautiful assistant: from abbey to abbey, through the Vatican gardens and the famous and notorious "**Passetto**" that connects castle S. Angel and the Papal residence in the Vatican...

...and then, **who were the Illuminists?**

The true **Bernini** and **Galileo Galilei**? We will share the answers to these questions walking through the mysterious side streets of the Eternal City.

**Earth, Fire, Air, Wind**...four Cardinals assassinated and branded by fire on their ches...well, maybe the four menus that our guide will propose to you for lunch won't be so gruesome, as every symbol is assigned a surprise cuisine and a final mysterious gift.

We are awaiting to share with you an intriguing journey through Angels and Demons, religion and paganism, truth and lies that made the Church rich and ruthless in those distant times.
